RECENTLY UPDATED home in The Villages at Rancho El Dorado, ready to move in! The interior exudes refined style with new interior paint, vaulted ceilings, tons of natural light, new vinyl plank flooring in common areas, and new plush carpet in bedrooms. You'll love the large great room with sliding doors to the back! The eat-in kitchen boasts stainless appliances, granite counters, recessed lighting, a pantry, and freshly painted white cabinets. The double-door 4th bedroom would also make a great office space. The exterior is just as impressive with newly painted stucco, and a backyard designed for entertaining w/ built-in BBQ, hot tub, and a shade tree! The Villages is a fantastic neighborhood centrally-located with popular amenities including a heated community pool and clubhouse.
